Developers of Park Grove, David and Pedro Martin and Jorge Perez, are hosting a private reception and intimate conversation in celebration of Fernandez's book "Humbled By The Journey, Life Lessons For my Family... and Yours," an up close dialogue with Mike Fernandez, future Park Grove Resident, moderated by David Lawrence.

Billionaire turned inspirational author, Mike Fernandez purchased two residences at Park Grove in Coconut Grove, one for himself and the other for his daughter for a total purchase of over \$10 million. Fernandez joins a prestigious list of high-profile figures who will call Park Grove home in 2017, including Emerson Fittipaldi, who will move his family from Key Biscayne to Coconut Grove. The home Fernandez purchased for himself is a two-story 5,000 square foot condominium with a private swimming pool, four bedrooms and 5.5 bathrooms. His daughter will reside in a nearly 2,000 square foot condo, with two bedrooms and two baths. #ParkGrove @ParkGroveMiami
