

Park Grove Roundtable for Coconut Grove Retailers – 3.9.15

by RACHEL MAZANEC

MARCH 13, 2015

Park Grove, the anticipated luxury residential collaboration between The Related Group and Terra Group, hosted an exciting and informative event last week—a roundtable discussion with Coconut Grove retailers that highlighted the bright future ahead for the neighborhood. The event demonstrated how contemporary retail components are aiding in the areas rapid renaissance. The panel was moderated by developers and Grove locals Carlos Rosso of The Related Group and David Martin of Terra Group.
