Featuring 220 of the World's Chicest Rooms, Including Miami Designs

**The Related Group** and **Terra Group** hosted **Elle Décor** latest book presentation at their luxurious joint project, **Park Grove**, the last of the residential towers planned for Coconut Grove. The book, titled 'The Height of Style,' follows the magazine's 25th anniversary and features over 220 of the world's chicest rooms, many of which have Miami ties, including: **Michael Bay's** Miami apartment; interiors by **William Sofield** (the interior designer for Park Grove); and a handful of other designers with projects and private residences in the Miami/Palm Beach area. A crowd of over 300 gathered at the sales gallery where signed copies of the book were distributed with drinks and light bites by A Touch of Class.

**Notable guests:** Michael Boodro, Editor in Chief of Elle Décor; David Martin, President and Co-founder of Terra Group; Patrick Campbell, Vice President at The Related Group
